## Feedback Questionnaire (Tree of Life)

Please rate your satisfaction with these aspects of the system you have just finished working with, by circling the most appropriate number.

- |  |                 |                                  |                                  |                                  |   |   |   |   |                    |
|--|-----------------|----------------------------------|----------------------------------|----------------------------------|---|---|---|---|--------------------|
| 1. Ease of navigating to the right part of the tree.             | Very easy       | 3                                | 2                                | <input checked="" type="radio"/> | 0 | 1 | 2 | 3 | Very hard          |
| 2. Responsiveness of the tree when navigating.                   | Very good       | 3                                | <input checked="" type="radio"/> | 1                                | 0 | 1 | 2 | 3 | Very poor          |
| 3. Ease of reading text.   | Very easy       | <input checked="" type="radio"/> | 2                                | 1                                | 0 | 1 | 2 | 3 | Very hard          |
| 4. Graphical design of the application.                          | Very good       | 3                                | <input checked="" type="radio"/> | 1                                | 0 | 1 | 2 | 3 | Very poor          |
| 5. Consistency of the application.                               | Very consistent | <input checked="" type="radio"/> | 2                                | 1                                | 0 | 1 | 2 | 3 | Very inconsistent  |
| 6. Utility of hyperbolic tree for displaying hierarchy data.     | Very useful     | <input checked="" type="radio"/> | 2                                | 1                                | 0 | 1 | 2 | 3 | Completely useless |
| 7. This application cares about my satisfaction as a user.       | Very much       | 3                                | <input checked="" type="radio"/> | 1                                | 0 | 1 | 2 | 3 | Not at all         |
| 8. Wikipedia integration into the Tree of Life interface.        | Very good       | <input checked="" type="radio"/> | 2                                | 1                                | 0 | 1 | 2 | 3 | Very poor          |
| 9. Overall impression of the Tree of Life interface.             | Very good       | 3                                | <input checked="" type="radio"/> | 1                                | 0 | 1 | 2 | 3 | Very bad           |
| 10. Would you like to further explore the Tree of Life later on? | Definitely      | <input checked="" type="radio"/> | 2                                | 1                                | 0 | 1 | 2 | 3 | Never              |
